

The Arc of Fort Bend County

The Arc of Fort Bend County is a non-profit organization serving people with mental retardation and related developmental disabilities. The Arc of Fort Bend County was founded in 1961 by a group of concerned parents, friends and professionals who wanted to positively affect the lives of persons with mental retardation and provide a base of support for their families.

The Arc could not provide our advocacy and services without our community's continued support and involvement. The dramatic and positive changes that have occurred is a tribute to a responsive community that has shared the Arc's vision of "Quality of Life for All".

Mission Statement

The Arc of Fort Bend County ensures opportunities for people with mental retardation and related developmental disabilities to maximize their quality of life within our community.

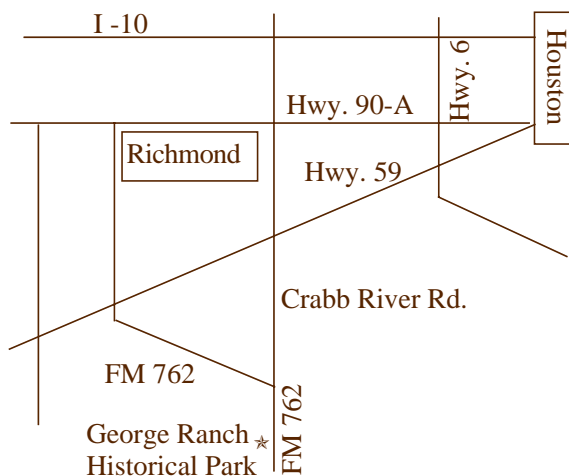

The Arc of Fort Bend County is a tax exempt, non profit 501(c) (3) organization (Tax ID# 74-6076222)
All donations are tax deductible
