

August 2007 Board Actions

In August our board of directors approved several items. Ray Johnson, chair of the Education/Employment Committee recommended that Sam Young, owner of Liberty Office Products, join the committee. Rick Cushenberry, chair of the Budget & Finance Committee, presented the July financials for approval and requested approval of expenses to date. Mike Casey, chair of the Executive Committee, presented The Arc's Travel Policy and Travel Request forms for approval. After reconvening from closed session, the Facilities Committee recommended the purchase of the Kelsey-Seybold building on Cypress Point, Missouri City, to replace the Glenn Lakes building. Further, the Facilities Committee received approval to negotiate new residential leases with Texana Center. In addition, the Facilities Committee received approval in August to purchase a group home in the Missouri City area. A home was purchased with a closing date in early September.
